Oggetto: About the Selection - REFUSED ACCEPTED OFFER

Dear Prof,

Hello, Prof. I am very interested in working with your team. Prof.
Emanuela Mastroardo organised the interview well. I am happy to
see all of you in an interview. The interview was excellent.

Thank you for providing this opportunity. Meanwhile, I am thinking
about all my personal and family expenses.

I'm sorry to say this, but the amount (i.e.,1400 euros) I cannot afford along with all the family expenses.

So, I am refusing this accepted position; please cancel the accepted offer and do what is necessary.

Sorry for the inconvenience.

Regards

N.Pradeep
