

WP CAPTURE THE FLAG

Via Kravogl 4, Bolzano

23 November 2024

Dear Students,

Are you passionate about cybersecurity? Do you enjoy solving complex problems and working in teams? If so, we have an exciting opportunity for you! Following the success of the first two editions, we are thrilled to announce the third edition of the **Würth Phoenix Capture The Flag (WP CTF)** competition, which will take place on **November 23, 2024** in **Bolzano**.

WP CTF is a unique cybersecurity competition designed to promote information security, enhance your skills, and raise awareness about the importance of protecting information systems. This event offers an innovative and enjoyable experience that aims to attract students, spark curiosity, and foster a love for cybersecurity.

Here's what you can expect from WP CTF 2024:

- **Duration:** The competition lasts 8 hours, during which you will be fully engaged in a thrilling challenge.
- **Resources:** Snacks, drinks and lunch will be provided, you only need to bring your laptop.
- **Objective:** The goal is to identify and capture flags by finding and resolving hidden software vulnerabilities in a web application developed by Würth Phoenix's DevOps and cybersecurity teams.
- **Awards Ceremony:** Celebrate your achievements and network with peers and industry professionals during the awards ceremony.

The competition is designed for teams, and the winning team will be the one that captures the most flags in the shortest time. To make the challenge even more enticing, we are offering substantial prizes:

- **1st Place:** Amazon vouchers worth **3 000 euros**.
- **2nd Place:** Amazon vouchers worth **2 000 euros**.
- **3rd Place:** Amazon vouchers worth **1 000 euros**.

This is an excellent opportunity for you to apply your theoretical knowledge in a practical setting, gain hands-on experience in cybersecurity, and compete against other talented students. Whether you are a seasoned competitor or new to cybersecurity, WP CTF is the **perfect platform to showcase your skills and learn from others**.

Ready to take on the challenge? Gather your team and register for free at WP CTF 2024 ! Detailed information about the competition and the registration process can be found on our **official WP CTF website: wpcftf.it**

Don't miss out on this exciting event. We look forward to seeing you there and witnessing your cybersecurity expertise in action!
