## Inter-Institutional Agreement

### Key Action 1

### Learning Mobility for Higher Education Students and Staff

among EU Member States and third countries associated to the Programme

Title: HU BUDAPES02\_0540: Mathematics and statistics nfd\_I MESSINA01

The institutions agree to cooperate for the exchange of students and/or staff in the context of the Erasmus+ programme. They commit to respect the quality requirements of the [Erasmus Charter for Higher Education](#), in all aspects related to the organisation and management of the mobility, including [automatic recognition](#) of the credits awarded to students by the partner institution as agreed in the Learning Agreement and confirmed in the Transcript of Records, or according to the learning outcomes of the modules completed abroad, as described in the Course Catalogue, in line with the [European Credit Transfer and Accumulation System](#). The institutions agree on exchanging their mobility related data in line with the technical standards of the [European Student Card Initiative](#).

#### Grading systems of the institutions

Receiving higher education institutions need to provide a link to the statistical distribution of grades or make the information available through [EGRACONS](#) according to the descriptions in the [ECTS users' guide](#). The information will facilitate the interpretation of each grade awarded to students and will facilitate the credit transfer by the sending institution.

#### Validity period of the agreement

Timeframe	Academic Year*	Call Year*
Start of validity	2023/2024	
End of validity	2027/2028
